Residents Rising!

Who are we?

We are a group of volunteers from the Kingston, Lawrence, Galloway & Orton Park community who enjoy living and working in this neighbourhood.

What are we doing?

Our volunteers work together to share ideas and identify ways for this community to grow. We are talking to residents, community groups, faith communities, schools, businesses and services to ensure that the needs of our community are being supported.

We encourage community pride by bringing together all parts of our diverse population to build a welcoming neighbourhood where everyone is encouraged to participate and contribute.

What will we give you?

- ✓ a Community Map to help you find everything you need in our neighbourhood
- ✓ a Community Bulletin announcing new activities is posted in local buildings every month
- ✓ Gardening Projects and Community Clean-ups to improve the image of our neighbourhood
- ✓ Community Information Tables to connect you to local resources
- ✓ a Community Market where neighbours can shop and talk
- ✓ special community events and cultural festivals
- ✓ links with local businesses

Residents living in this community want their voices to be heard. We want to build a neighbourhood association.
